

WELCOME to the Demo Tent @ Schoolyard Market!

Thank you for hosting a live demonstration at our Schoolyard Market! We are excited to offer our foodie community engaging programs about nutrition, food preparation, gardening and more! We hope you'll use this space to showcase your brand and unique messaging. Feel free to treat this space as your own interactive exhibit. You can decorate your table and the area with your own signs/banners/branding. Be as creative as you'd like!

THE DEMO AREA OF OUR TENT INCLUDES USE OF :

- Two six foot tables (more available if needed for participants)
- Electricity upon request

BRING YOUR OWN

- Tablecloths and decor
- Sampleware (e.g. small paper plates, toothpicks)
- Signage

SOME IDEAS & SUGGESTIONS

- Bring your business cards and a mailing list signup sheet
- Be ready to discuss why you started your business/organization
- Demos that run throughout the market are best (vs scheduled activities) as we have a steady flow of traffic
- Have fun with it!

COST RELIEF

- You can submit up to \$100.00 of receipts of supplies you bought for your demo to Luca for reimbursement

Schoolyard Market Manager Caitlin Mandel is always available to help you brainstorm and answer questions!
